## Miss peregrine's home for peculiar children book 2

I was blown away...Hollow City is fantastic."--USAToday.com "A worthy follow-up, and as addictive a read as the first."--Hypable "Hollow City mixes spooky vintage photos and action-packed storytelling to continue the story of Jacob Portman and his fellow "peculiar" as they travel through time to war-torn London."--Dan Kois, Slate "A perfect blend of creepiness and thoughtfulness."--PopMatters "A stunning achievement... Hollow City is even richer than Riggs's imaginative debut, Miss Peregrine's Home for Peculiar Children."--Boston Globe "What makes the series soar, however, is not the world-building, as intriguing as it is, but the heartfelt intensity of the emotions."--Virginian-Pilot "Ideal for fans of Neil Gaiman and Daniel Kraus, Hollow City blends fantasy and horror into a world that will engross readers and leave them eager for more."--Shelf Awareness for Readers "A tasty adventure for any reader with an appetite for the...peculiar."--Kirkus Reviews "New readers of the series will find this novel a treat...Fans of the first title will find this book a treasure. The only downside: waiting for the third installment to find out what happens to Jacob and his peculiar friends."--School Library Journal "Riggs has created a fresh and original world in these Peregrine novels, with likable, quirky characters and a very readable style."--Library Journal Xpress ReviewPraise for Miss Peregrine's Home for Peculiar Children "A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story."--John Green, New York Times best-selling author of Looking for Alaska and Paper Towns "Readers searching for the next Harry Potter may want to visit Miss Peregrine's Home for Peculiar Children."--CNN "Riggs deftly moves between fantasy and reality, prose and photography to create an enchanting and at times positively terrifying story."--Associated Press "I read all of the Miss Peregrine's Peculiar Children books and I loved them."--Florence of Florence + The Machine "[A] thrilling, Tim Burton-esque tale with haunting photographs."--USA Today Pop Candy "With its X-Men: First Class-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder Miss Peregrine's Home for Peculiar Children has been snapped up by Twentieth Century Fox. B+."--Entertainment Weekly "Peculiar" doesn't even begin to cover it. Riggs' chilling, wondrous novel is already headed to the movies."--People "You'll love it if you want a good thriller for the summer. It's a mystery, and you'll race to solve it before Jacob figures it out for himself."--Seventeen "This peculiar parable is pure perfection."--Justine magazine "One of the coolest, creepiest YA books."--PopSugar The parents' guide to what's in this book. Drinking, Drugs & Smoking Not present Parents need to know that Hollow City is part horror tale, part cosmic conflict, part teen romance, and part coming-of-age saga. Teens who love creepy stories tinged with lofty adventure, first love, time travel, and historical adventure will happily devour this. The second installment in Ransom Riggs' series that began with the best-selling Miss Peregrine's Home for Peculiar Children (now also a graphic novel, with a movie in the works, set for Sept. 2016 release) continues the adventures of 21st-century rich kid Jacob Portman in 1940, where he's joined forces with the "peculiar" kids who were once his late grandfather's friends. As in the first book, Hollow City uses real, often grotesque or creepy antique photos to tell its story. Book 1's frequent strong language is absent here, and sexual content is limited to flirtation and intense kissing that's described more emotionally than physically. Lurking hollows and wights have the kids in constant danger, and human and animal characters, including children and innocents, are viciously killed. Weaponry ranges from guns and knives to exploding chicken eggs. May 11, 2017 This book is exciting and full of adventure! It is a little scary at times but as long as your child doesn't have bad dreams or worry too much about monsters it should be fine. The characters are fantastic and kids can really relate to their stories. This title has: August 6, 2015 I loved it! It has a huge amount of violence and gore, including an impaled little girl. Not for the easily scared or grossed out. For a mature reader. This title has: Following the dramatic conclusion of Miss Peregrine's Home for Peculiar Children, Jacob, Emma, and the other strangely powered kids are outside their time loop, on the run in 1940s England from the "wights" and "hollows" bent on taking over the world. Along with them is their guardian and headmistress, Miss Peregrine, who's stuck in her bird form after being captured by evil beings. Restoring her requires the aid of one of her fellow "ymbrynes," but they've all vanished. The time-and-space-hopping quest to heal Miss Peregrine takes the kids to London, which, between the Blitz and the villains, has become the HOLLOW CITY and puts them and those who befriend them in terrible danger. Meanwhile, Jacob grapples with the conflict between his new world, with monsters to fight and a girl he loves, and the one he left behind, where his parents are frantically worried about him. Imaginative and gripping, Hollow City keeps the pages turning and raises a steady stream of ethical dilemmas. When is a selfless act the right thing to do, and when is it destructive? What happens when you can't do right by one person you love without harming another? As the second installment in a series, it manages the challenges of moving the story along while leaving plenty of conflict and unresolved issues for future books. The strange antique photos, along with the typical creepiness of monster tales, make for a level of weirdness that may be too intense for some readers and will have huge appeal for others. Families can talk about the ongoing appeal of time-travel stories. If you could travel to another era, would you? What if it meant you couldn't come back? With Miss Peregrine's Home for Peculiar Children, author Ransom Riggs pioneered the notion of developing a story from a collection of odd antique photos. Do you think the photos enhance the story, or would it work just as well without them? How do you deal when you have different obligations to different people and they come into conflict? How do you decide what's right? Author: Ransom Riggs Genre: Fantasy Topics: Magic and Fantasy, Adventures, Friendship, History, Monsters, Ghosts, and Vampires Book type: Fiction Publisher: Quirk Books Publication date: January 14, 2014 Publisher's recommended age(s): 13 - 17 Number of pages: 400 Available on: Nook, Audiobook (unabridged), Hardback, eBooks, Kindle Last updated: July 12, 2017 Actively scan device characteristics for identification. List of Partners (vendors) Ransom Riggs's debut novel tells the tale of a young boy who follows the trail to an abandoned orphanage in a series of narratives and vernacular photographs. Summary of the Book Jacob Portman thought his grandfather had been murdered by an imaginary creature. When he arrives at Wales in hunt for the truth, he finds the house where his grandfather and the peculiar children lived. The trail leads him to a pyrotechnician called Emma who takes him back in time to meet Miss Peregrine. He meets the other children in the house, including invisible Millard and the strong Brownyn. His stay is soon troubled as he begins to see the creature that was responsible for his grandfather's death, creatures that he must stop to protect the children. If he cannot do so, they will lose the only reality they call home and he will lose the only people he can call family again. About Ransom Riggs Ransom Riggs is an American filmmaker and writer. His interest in vernacular photography and short films sparked an idea which led to the current title. The story continues in his second novel, Hollow City. Click on the cover image above to read some pages of this book! The #1 New York Times best-selling series.Bonus features: Sneak preview of the third Peculiar Children novel Exclusive Q&A with Ransom Riggs Never-before-seen peculiar photographyLike its predecessor, this second novel in the Peculiar Children series blends thrilling fantasy with vintage photography to create a one-of-a-kind reading experience.September 3, 1940. Ten peculiar children flee an army of deadly monsters. And only one person can help them but she's trapped in the body of a bird. The extraordinary journey that began in Miss Peregrine's Home for Peculiar Children continues as Jacob Portman and his newfound friends journey to London, the peculiar capital of the world. There, they hope to find a cure for their beloved headmistress, Miss Peregrine. But in this war-torn city, hideous surprises lurk around every corner. And before Jacob can deliver the peculiar children to safety, he must make an important decision about his love for Emma Bloom. "I was blown away...Hollow City is fantastic."--USAToday.com "A worthy follow-up, and as addictive a read as the first."--Hypable "Hollow City mixes spooky vintage photos and action-packed storytelling to continue the story of Jacob Portman and his fellow "peculiar" as they travel through time to war-torn London."--Dan Kois, Slate "A perfect blend of creepiness and thoughtfulness."--PopMatters "A stunning achievement...
